I, undersigned, recognize the dangers inherent with horseback riding. I am assuming the hazard of this risk upon myself since I wish to ride horses. I realize I am subject to injury from this activity and that no form of pre-planning can remove all of the danger that I am exposing myself to. I have been offered a protective riding helmet, which could have prevented permanent brain damage in the event of an accident. Against the advice of the stable operator, the wrangler guide, and the insurance company, I am refusing this critical safety precaution.

"I have read and understand the above waiver."
